

**PEDIATRIC**

## MiniMe<sup>®</sup> Nasal Mask

### Big comfort for small patients

The MiniMe<sup>®</sup> Nasal Pediatric Mask with FDA clearance for children ages 2-12, is an easy to fit, straightforward solution for this age group. The mask provides unmatched comfort, a non-invasive design for easy adjustment, and a pediatric size frame for the extra small faces we care so much about.

#### Custom Fit Technology

Sleepnet's Custom Fit Technology is our proprietary technology made from a flexible, pliable material that responds to gentle manipulation and accommodates changes in weight and facial asymmetry.

#### AIR<sup>°</sup>gel<sup>®</sup>

Sleepnet's AIR<sup>°</sup>gel<sup>®</sup> is an advanced cushion technology that conforms to the contours of each individual face creating a secure and comfortable seal.

#### Quick-Release

Our quick release masks feature a slot on the side that allows the user to easily put on or take off the mask and headgear.

#### One Convenient Size

Engineered to fit effectively for pediatric patients aged 2-12.

#### Vented and Non-Vented Versions Available

MiniMe<sup>®</sup> can be used for both hospital and homecare.

## What makes our MiniMe® different

**Softer Comfort** - Sleepnet's AIR°gel® is a leading edge innovation developed and designed to enhance the comfort and effectiveness of our respiratory masks.

**Personalized fit** - Custom Fit Technology allows the user to easily shape the mask by gently bending and molding it along the sides, and top to provide a consistent and secure fit.

**Easy to fit** - The mask is specifically designed to provide an optimal fit and superior seal with less pressure - an essential feature in the pediatrics.

**One Size Design** - Available in a convenient one-size design with three sizes of cap-style headgear for a soft, secure, and personalized fit.
